

## **LOCAL STUDENT SELECTED TO ALL AMERICAN HALFTIME SHOW**

The All American Halftime Show is pleased to announce the All American cast member selection of (Your Name/s) \_\_\_\_\_  
representing (Your School/Organization) \_\_\_\_\_  
to the official Buffalo Wild Wings Citrus Bowl performance cast. All American Halftime Show producers take special pride in their national performer recruiting efforts to field only a top-notch performance cast. The New Year's day extravaganza is held in Orlando and the game is broadcast nationally on ABC-TV. Show designers are well underway with plans for what is certain to be a true once-in-a-lifetime bowl game performance experience for talented students hailing from coast-to-coast.

"The Buffalo Wild Wings Citrus Bowl halftime show is consistently hailed as the most spectacular New Year's Day production in the country," executive producer Bruce Hart explains, "Only the Nation's top students will meet our stringent "All American" cast selection criteria qualify and receive this fantastic New Year's Day performance opportunity. This is by no means an "Open Call" production audition."

The Buffalo Wild Wings Citrus Bowl football game pits two traditional gridiron powerhouses, the Big 10 and Southeastern (SEC) athletic conferences, in one of the Country's most prestigious collegiate bowls.

In addition to their New Year's Day performance in Orlando, All American Halftime Show cast members will visit many exciting attractions in beautiful Central Florida. Their six-day All American cast member performance tour will include excursions to the Universal Orlando theme parks, and of course, Walt Disney World, including their choice of Magic Kingdom, EPCOT Center, Animal Kingdom, or the Disney Hollywood Studios theme park.

A national performance opportunity of this magnitude necessitates a great deal of fund raising and our local students are working hard to make it to Orlando for the production experience of a lifetime. Any financial assistance you or your local organization could provide to help make this All American performance dream come true is certainly appreciated. Please contact the students or school directly for more information about how you can be of help in their quest to be a part of "The Best Halftime Show in America!"
